**CPR, AED & First Aid Courses:** In these courses you will be certified in lifesaving techniques to better prepare you to prevent and respond to a medical emergency. You will also learn how to use your community’s Emergency Medical System (EMS) more effectively, and learn a plan of action that would apply to any medical emergency. In order to best prepare for training, read your book/skill cards.

Upon Completion of the Online Portion of the Blended Learning Program, you will need to print off the final completion page and bring it with you to the Red Cross office on \_\_\_\_\_ at \_\_\_\_\_ in the morning/afternoon in order to complete the skills session of the training. This will require some strenuous activity on your part. You will be required to lower yourself to the floor and perform lifesaving compressions. You will need to wear appropriate clothing, i.e. jeans/slacks, fitted shirt, etc.

**If you have any of the conditions listed below, call the Russell County Chapter at 334-298-3631 so appropriate arrangements can be made:**

1. If you have any cuts or sores on your hands, head, face, lips or mouth
2. If you are known to test positive for hepatitis B surface antigen (HBsAg)
3. If you have any respiratory infections
4. If you are aware that you have contracted or may have recently been exposed to any infectious disease that you may be able to transfer to others participating in this course

**Refund and Reschedule Guidelines:** Refunds will be issued prior to the start of the online class only. Also, the time frame for a refund is one month from the registration date. Rescheduling needs to be completed within 30 days (unless extreme circumstances apply). Refunds will only be for the course fee, not the total cost. Refunds will be charged an administrative fee of \$10.00. We do not issue refunds for any of our printed materials, i.e. skill cards, books, etc. You will receive your refund in the form of a check, this may take several days to process.
