\*Price includes Participant's Manual

The time estimation is not required, we prefer the above times in order to best deliver the program in the community. The programs can be shortened or lengthened to fit your individual needs.

- For the Red Cross to teach the class, the class size must be a minimum 6 participants; any class larger than 10 participants requires the school/daycare/day-camp/etc. to provide additional support personal during the class.
- Classes can be conducted by leaders within your business by ordering the materials listed in the top table. There are no extra charges associated when you teach your own classes.
- Please call Amanda Hamrick at (334)298-3631 if you have any questions, would like to order materials or set up a class. Thank you.
